Msgr. Bela Varga
Hungarian National Council
125 East 72nd Street
New York 21, New York

Dear Msgr. Bela Varga:

I wish to acknowledge receipt of your year end letter. I appreciate fully the spirit in which it was written and join with you in sorrow at the tragic developments in your country and affecting your people.

Allow me also to thank you for the Hungarian souvenir, which I accept in the spirit in which you have written me.

Faithfully yours,
